Environmental & Bioresource Sciences		Oriental Medicine Resources, Ecology Landscape Architecture-Design, Biotechnology	

※ Exam candidates for English or Major-related English (identical for Master's and Doctor's) must take the selected subject exam, otherwise; the result will be not recognized and resulted in cancelation. (if your department is not shown above or not written correctly, please immediately contact the corresponding department)

Instructions for Foreign Language Exam takers

1. Foreign Language Exam takers must enter the exam room 30 minutes before the test.
(English and second foreign language exam takers must sit in the assigned seat)
2. Exam takers must use the below materials for writing.
 - A. Multiple Choice Questions for English Exam (OMR Card): Exam takers must use aqueous pen for computer use to fill in the OMR Card. If not, the answers will not be recognized and exam takers take the whole responsibility.
 ※ Aqueous pen for computer use must be prepared by the exam takers
 - B. Essay type questions for English Exam or Second Foreign Language Exam: Exam takers must use black, blue or navy color pen. Usage of either pencil or other color pens will be resulted in 0 points.
3. Exam takers must firstly fill in their examinees' number and name on the top of the answer sheet when supervisor release the examination and answer paper.
4. With regard to essay type questions for English Exam and Second Foreign Language Exam, exam takers need to answer total 2 questions; choose one question from A and B, and one question from C and D. In case the exam taker choose both A and B or both C and D for his or her answer, then only one answer with the higher mark will be counted.
5. How to fill in the essay type questions for English Exam and Second Foreign Language Exam
 - You must answer two questions into a two separate paper (one question for one paper). You should not write down at the back of the paper, which will be invalid.
 - Please fill in your student number, name and question number on every single answer sheet.
6. Exam takers must return all examination and answer paper to the supervisor when the test is over.
7. Exam takers must show their identification card (student card, driver's license or

identity card).

※ Without identification card, exam takers are not allowed to take the exam.

8. Second Foreign Language Exam takers may bring and refer to corresponding subject's dictionary.

9. English (Major-related English) exam takers are not allowed to use dictionary.

※ Exam takers are not allowed to scribble or write down anything unnecessary other than an answer. It will be resulted in 0 points.

※ Exam takers have benefit of free parking (show your test identification slip when you are leaving the parking lot).
