

西北工業大學
NORTHWESTERN POLYTECHNICAL UNIVERSITY

2018 SUMMER
PROGRAM

24 June – 7 July 2018

Apply by 20 May 2018

**Study tour in China for a
First-hand experience of the
nation shaping the 21st century**

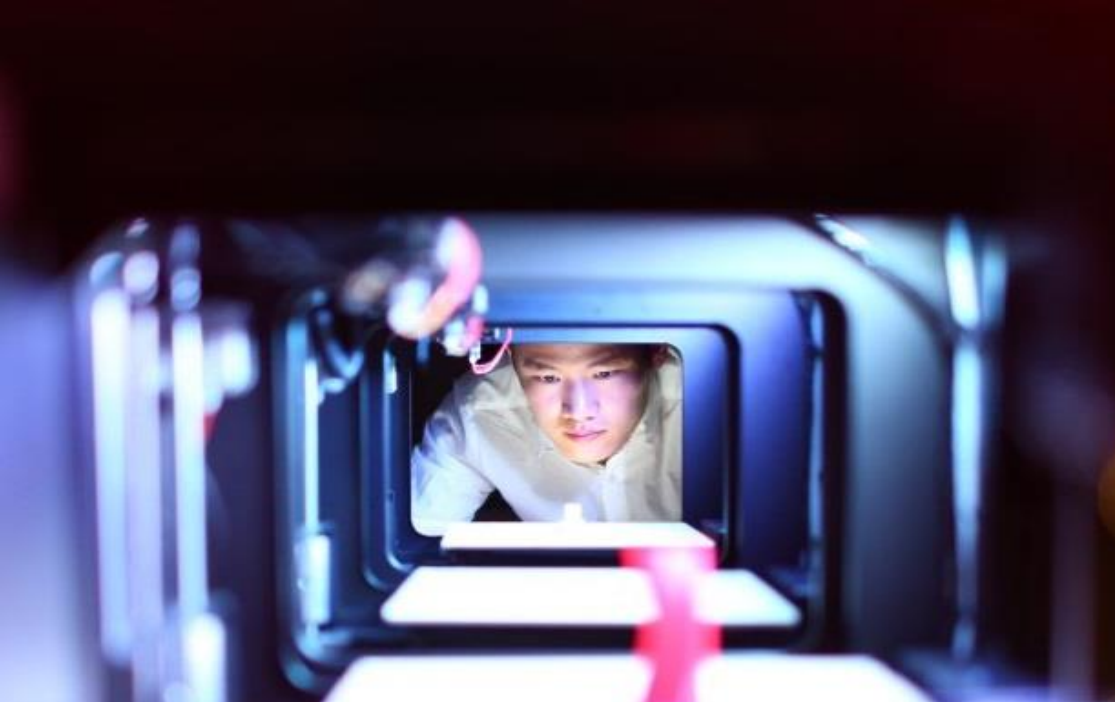

It's Cost Efficient

Estimated average tuition fee of Chinese universities ranges from USD 3300 to 9900 per year, a lot lower than universities in US, UK and Australia.

Living cost in metropolitan would be around USD 740-830 per month; Other cities would be lower. It depends on your lifestyle though living on campus is reasonably priced, safe and convenient with China's ecommerce driven by great service and efficiency.

Ever thought about studying at a Chinese university?

World-class Education

In 2017, Chinese government announced a list of colleges and universities that will participate in its **Double First Class Project**, a comprehensive project to bring 42 Chinese universities to a **world-class level**.

This will allocate USD 6.04 billion to these universities, opening significantly more resources for those selected. It is one of the biggest changes to tertiary education policy in China since the mid-1990's.

Ever thought about studying at a Chinese university?

Study in English and learn Chinese

You don't have to know Chinese to study in a Chinese university! Many Chinese universities have various of international programs delivered in English.

You could choose to continue earning valuable credits while simultaneously gaining a new perspective on your field.

Chinese universities offer intensive Chinese language classes for expats to master all level of the language, while the country becoming your classroom for you to discover on your own.

Ever thought about studying at a Chinese university?

Northwestern Polytechnical University (NPU) is presenting you the historic and modern China, featuring unique cultural experience, practical Chinese language classes and interactive activities with young talents from China and all over the world.

This is your chance to:

- Gain a once-in a life time cultural experience in Xi'an, one of the most long-standing cultural heritage cities in China.
- Try out your future study in China and find your potential position in the nation that is shaping the 21st century.
- Have Chinese language classes while discovering the origin of Chinese culture.

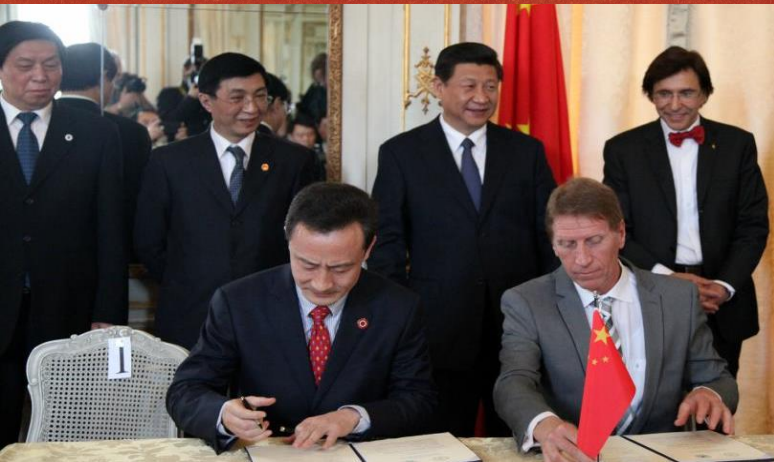

This Summer

Why NPU

- Northwestern Polytechnical University (NPU) is classed among China's Double First Class Universities as a key university taking leads in aeronautics, astronautics, and marine technology in China and abroad.
- Founded in 1938, NPU is classed as a national key university in China. NPU has developed into an open and research oriented University by bringing its founding spirit of inquiry and innovation into a wide-ranging curriculum that now includes the Humanities, Law, Management, and Foreign Languages.

- NPU has a vibrant and diverse community which consists of about 3,700 dedicated faculty members, including 1,800 full-time and associate professors, 27 scholars from the Chinese Academy of Sciences (CAS) and the Chinese Academy of Engineering (CAE), 31 chair and lecture professors from the Cheung Kung Scholars Program, and 14 recipients
- NPU covers an area of 840 acres with 2 campuses and 17 academic schools, offering 65 undergraduate programs, 120 postgraduate programs, 71 doctoral programs, and 17 postdoctoral programs. Currently, the university has 30,279 highly motivated students, including 14,451 undergraduates, 8,017 master's degree students, 3,625 full-time Ph.D. candidates and 2,521 professional degree students, as well as over 1,665 international students from over 83 countries.

17 ACADEMIC SCHOOLS

65 UNDERGRADUATE PROGRAMS

120 POSTGRADUATE PROGRAMS

71 DOCTORAL PROGRAMS

17 POSTDOCTORAL PROGRAMS

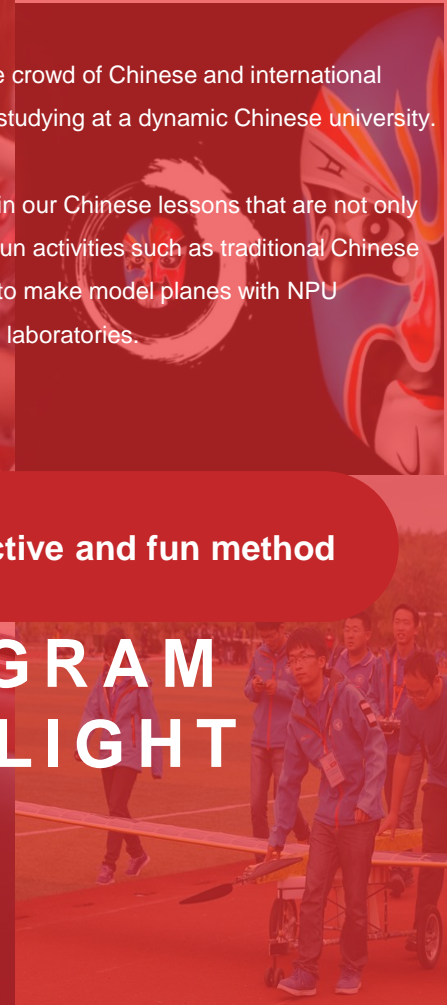

We will stay on NPU campus to join the crowd of Chinese and international students for a first-hand experience of studying at a dynamic Chinese university.

Campers from multiple countries will join our Chinese lessons that are not only reading and writing, but also featuring fun activities such as traditional Chinese arts. We will also have the opportunity to make model planes with NPU students and to visit NPU's world-class laboratories.

Learn Chinese in an interactive and fun method

PROGRAM HIGHLIGHT

As the eastern end of the famous Silk Road, Xi'an has had a colorful history recorded in its own landscape. We will visit its representative historical sites including the Terra-Cotta Warriors, the ancient city wall, the Tang Paradise, the starting point of the Silk Road, and the Hanyangling Mausoleum, etc.

Explore the oriental ancient civilization in Xi'an

PROGRAM HIGHLIGHT

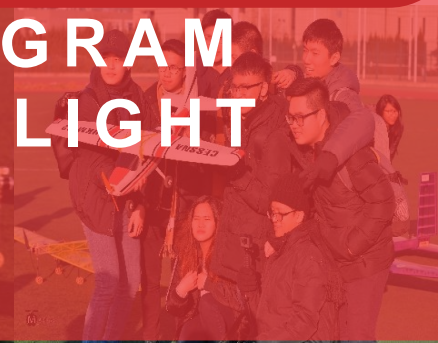

NPU has achieved global acclaim in engineering, educating hundreds and thousands of China's top technicians and researchers. NPU is also home to an innovation center where students are challenged to test the limits of their skills in nationwide competitions ranging from robot football to a model United Nations.

This is your chance to join innovation workshops with young talents from China and all over the world.

Participate in NPU's innovation workshop

**PROGRAM
HIGHLIGHT**

Touch the key elements of traditional Chinese arts and culture under professional guidance in the historical city of Xi'an. We have selected a series of cultural experiences including trying ancient Han Dynasty costumes, tea art tasting, traditional Chinese music and more excitingly, Chinese Kongfu learning with Kongfu masters.
