Language Requirements

Exchange/Visiting international students must provide proof of English Proficiency when seeking admission to an undergraduate program of study.

TOEFL Internet-based	61
IELTS*	5.5
Pearson Test of English (PTE)	overallScore of 51
Common European Framework (CEFR)	B2 or higher
Cambridge English Language Assessment (CAE)	B2 or higher

Students with scores lower than the minimum requirements, or in a country where these tests are unavailable, can apply to UNK's English Language Institute. If accepted into this program, you will take an English Placement Exam upon arrival to campus. The result of this exam will determine placement in intensive English classes on a full- or part-time basis.

Medical Insurance

UNK requires that all F1/J1 international students purchase the UNK Health Plan. A fee will automatically be assessed to the student's account, and coverage provided. One exception to this policy is the International Student Insurance (ISI) www.internationalstudentinsurance.com. If students purchase ISI (a "select" or "elite" option), they can apply for insurance waiver.

More Information can be found here: www.unk.edu/international/international-student-services/medical-insurance.php
