

Guidelines for the Academic Calendar

Ca' Foscari's Academic Year is divided into **two semesters** for the:

- **Department of Environmental Sciences, Informatics and Statistics (DAIS)**
- **Department of Molecular Sciences and Nanosystems (DSMN)**
- **Department of Asian and North African Studies (DSAAM)**
- **Department of Linguistics and Comparative Cultural Studies (DSLCC)**

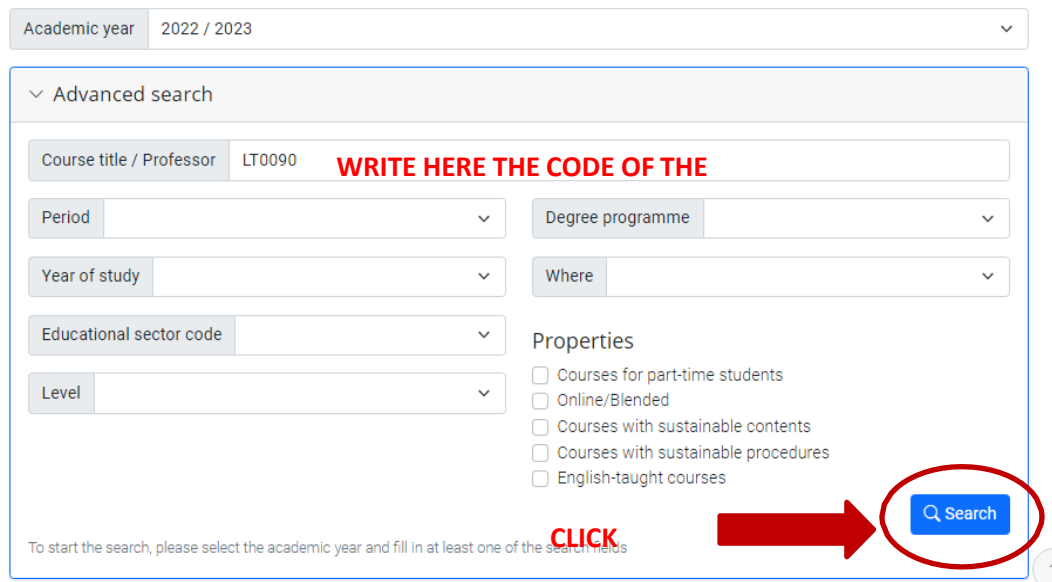

The first semester usually runs from September to January, while the second runs from February to June

To know whether a course is held during the first semester, you need to follow the following steps.

Let's make an example: let's say I want to know when the course LT0090 ROMANCE PHILOLOGY is held. You need to:

The screenshot shows the 'Course search' interface. At the top, there is a dropdown menu for 'Academic year' set to '2022 / 2023'. Below this is a section titled 'Advanced search' with a dropdown arrow. Inside this section, there are several input fields: 'Course title / Professor' (containing 'LT0090'), 'Period', 'Year of study', 'Educational sector code', 'Level', 'Degree programme', and 'Where'. A red text annotation 'WRITE HERE THE CODE OF THE' is placed over the 'Course title / Professor' field. To the right of these fields is a 'Properties' section with five checkboxes: 'Courses for part-time students', 'Online/Blended', 'Courses with sustainable contents', 'Courses with sustainable procedures', and 'English-taught courses'. At the bottom right, there is a blue 'Search' button with a magnifying glass icon. A red arrow points to this button, and the word 'CLICK' is written in red above it. A small red circle highlights the 'Search' button. At the bottom left, there is a small text note: 'To start the search, please select the academic year and fill in at least one of the search fields'.

3. Then, click on "ROMANCE PHILOLOGY"
