Student Service Information

Excellent Student Services

We welcome you to the city by arranging transportation from the airport to your residence. Orientation helps students experience an easier transition to university life and to Canadian culture. The International Office provides students with information and guidance on campus life, city services and personal matters. The University's support system helps you relate to the campus, community and culture, how to get involved and connect with new friends.

Fun, Safe, Affordable Living at Beautiful campuses

There are plenty of indoor and outdoor spaces to relax in, and spend time with friends outside of class. It is easy to get involved in student-run clubs and associations and recreational sports. Safety is the top priority for Lakehead University Security Services. They offer 24 hour security staff.

See you at Lakehead!!
