- We attract world-class minds and participate in world-changing projects and partnerships.
- We have over 90 international university partners

World-class research and teaching facilities

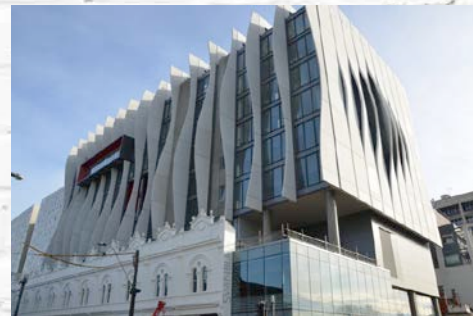

Advanced Technology Centre (\$140 million)

- Multidisciplinary platforms for research and teaching
- Smart Structures Lab
- Laser Assisted Manufacturing Lab
- Virtual Design Lab
- Materials Characterisation Lab
- Nanofabrication Lab

World-class research and teaching facilities

- Advanced Manufacturing and Design Centre (\$100 million)
- Swinburne's new home for design and innovation
- Factory of the Future
- Research in smart and sustainable infrastructure
- Design Factory
- ICT R&D Accelerator

Overview

- Established 1908
- Dual sector university (Higher Education and Vocational Education)
- Public, government-funded
- Three campuses in Melbourne and one in Malaysia
- Three Higher Education faculties in Melbourne
 - Faculty of Business and Law
 - Faculty of Science, Engineering and Technology
 - Faculty of Health, Arts and Design

Melbourne - Australia's most liveable city

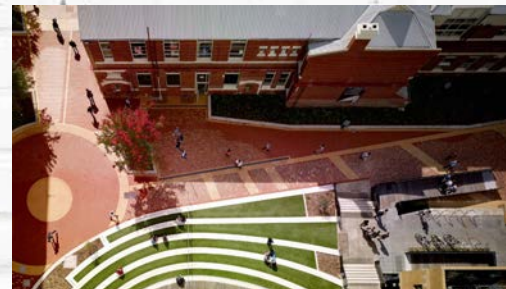

Campuses in Melbourne

Hawthorn campus

- Main Swinburne campus
- Glenferrie train station (10 minutes to city)
- Shopping, cafes, food, entertainment
- On-campus accommodation
- Hawthorn Aquatic and Leisure Centre

Hawthorn campus

- International student services
- Careers and Employment
- Wi-fi computer access
- Library and computer Labs
- Multi-faith facilities
- Clubs and societies

Degrees, pathways and vocational education

- University education
 - Undergraduate: Bachelor Degrees, Double Degrees
 - Postgraduate: Graduate Certificates, Graduate Diplomas, Masters programs, PhDs
- Pathways and vocational education
 - English language (ELICOS)
 - Foundation Year
 - UniLink higher education diplomas
 - Certificates
 - Diplomas
 - Advanced diplomas

Study areas

- Arts and Social Sciences
- Aviation
- Business and Management
- Design
- Education
- Engineering
- Environment and Sustainability
- Film and Television
- Games and Animation
- Health
- Information and Communications Technology
- Law
- Media and Communications
- Psychology
- Science

Pathways to a university degree

- English Language Intensive Course for Overseas Students (ELICOS)
- Foundation Year
- Diploma (UniLink)
- Vocational Education

English language courses (ELICOS)

- New intake every 5 weeks
- Three levels of General English
- Three levels of English for Academic Purposes
- Average of 15 students each class
- Almost 400 students from nearly 45 countries
- Advanced levels focus on language specific to individual study areas (e.g. business, design)
- 20 contact hours, 4hours/day, from 8.30am – 4.30pm

Foundation Year

- Equivalent to Australian Year 12
 - Arts/Social Science
 - Business
 - Design
 - Science/Engineering
- Experienced ESL teachers
- Pathway to Diploma (UniLink)
- Small class sizes, supportive teaching style
- Direct entry to 1st Year university option

UniLink Diploma

- Equivalent to first-year university
 - Business
 - Design
 - Engineering
 - Information Technology
- Available to domestic and international students
- Curriculum designed by destination faculty
- Small class sizes, supportive environment
- Entry to 2nd year of undergraduate studies (no extra requirements)

Pathway programs: student-centred approach

- Academic support
 - Transition Workshop and Seminar
 - In-class peer learning
 - Study groups
- Social support
 - Annual Welcome BBQ
 - Excursions
 - Conversation Club
- Emotional and living support:
 - Student development and counselling workshops

Undergraduate programs

- A focus on work-ready graduates
- All programs have work-integrated learning options
- Professional degrees include paid, full-time, 12-month professional placement
- Professional internships are unpaid, 1-2 days per week for one semester
- Industry-linked projects
- Accreditation placements
- Industry study tours

Postgraduate programs

- Coursework and research programs
- Professional programs include:
 - personalised career coaching
 - career management
 - industry project
 - industry placement for selected students
- Advanced programs designed for students interested in research and research careers

Global Leadership Program

- Offered in conjunction with Northeastern University, Boston, USA
- Gain two masters degrees in two years
 - Master of Science in Leadership plus one Masters, from:
 - Accounting
 - Commerce (International Business)
 - Commerce (Marketing)
 - Finance and Banking
- Hawthorn campus

Northeastern University

KNOW
ING
