

2019 Summer Chinese Language Course

Ocean University of China (OUC) is a comprehensive university with particular strengths in oceanography and fisheries science. It is one of the key comprehensive universities directly under the Ministry of Education of China. In 2017 it was included in China's plan of building "Double First-Rate" universities, having previously also been on the list of "Project 985" universities (a list of China's top 39 universities) and "Project 211" institutions (of China's top 100 universities).

OUC is located in the beautiful city of Qingdao, Shandong Province. Qingdao is a coastal city with pleasant climate, fresh air and beautiful scenery. The red roofs, green trees and blue sea here form a colorful picture. In addition, it is also a historical city as well as an ideal tourist destination. By joining us, you will have a chance to taste the world-famous fresh Qingdao Beer from Qingdao's Brewery. We warmly welcome all foreign students to study at the Ocean University of China.

The Summer Chinese Language Course (SCLC) is mainly for students who are interesting in China, Chinese culture and want to have a short-term wonderful life in China. By joining SCLC, you will learn the courses such as speaking, listening and reading. Also, you have a chance to experience Chinese traditional culture such as paper-cutting, Tai Chi, tea culture, and some activities as city tour, visiting the Beer Museum of Qingdao, etc.
