Open-Minded

We are one of the youngest universities in Germany and have a fresh way of looking at things. We think in terms of unlimited possibilities instead of possible limitations.

Located in the heart of the Ruhr metropolis, we have 11 faculties working to develop ideas with a future. We are strong on research and teaching, embrace diversity, promote academic potential and fight for genuine educational equality.

Research

Main Research Areas

Nanosciences
Biomedical Sciences
Empirical Research in Education
Urban Systems
Transformation of Contemporary Societies

Degrees

Bachelor's (without teaching) 1,951
Master's 1,231

(3) German literature classes especially reserved for foreign exchange students

„Einführung in die deutsche Literatur“ (Introduction to German literature, in German)

„Einführung in die Literaturwissenschaft“ (Introduction to Literary Criticism and Analysis, in German)

(4) Other classes in German from the Department for German Language and Literature

Lectures can usually be attended as a guest student without any problems. In principle, seminars may be attended in principle, provided there are spaces and the lecturer is confident that the student's level of German will not be cause for problems.

(5) Other courses in German in Business Economics, Political Science or Social Science

Again, lectures can always be attended. Participation in other classes is in principle possible if there are enough spaces and the lecturer is satisfied that there is no language problem.

Furthermore, upon consultation with the respective lecturer, exchange students are free to attend classes in any other subject taught at the University of Duisburg-Essen. A full list of classes on offer can be found at the LSF: <https://campus.uni-due.de/lsf/rds?state=wtree&search=1&category=veranstaltung.browse&navigationPosition=lectures%2Clectureindex&breadcrumb=lectureindex&topitem=lectures&subitem=lectureindex>

Room: LE 603 - Forsthausweg 2, 47057 Duisburg

The IN-EAST Welcome Office

offers a range of services to our exchange students from China, Japan and Korea:

We have put together all relevant information in preparation of your stay in your own language.

We prepared guidelines in each language on how to make an online **reservation for a room in one of the dormitories**.

We put together your **personal learning agreement** so that you know where and when your courses will take place.

Before you arrive in Germany, **we assign a German student to you as your 'buddy'**. He or she will help you find the way to your dormitory and do the necessary paperwork, register with local authorities, enrol at the University and get your **student ID**, open a **bank account**, get **internet access** etc.

We also bring together overseas and German students for language learning ("**tandem partnerships**") and exchange on all aspects of studying abroad.

We work closely with people at your university's International Office in order to ensure that your stay in Germany is not only instructive but problem-free.

Visa Process

Visa type: Entry into Germany by Tourist visa, later status change to student visa

Necessary documents:

Passport, biometric passport photos (2), certificate of exemption of health insurance and certificate of health insurance, rental agreement of dormitory and "Vermieterbescheinigung", proof of finance (blocked account with 720 € each month or scholarship), visa issuance fee (about 100 €), certificate of enrollment of UDE
