## 2. Majors

- ※Applicants must refer “**Submission of Language Proficiency Certification**” in the table below.
- Majors or departments (Humanities, Social Sciences and some interdisciplinary departments) require submission of either English or Korean language proficiency certification. Failure to submit may result in disqualification.
- Majors or departments (Natural Science, Engineering, Medicine, Art, Physical education and some inter- disciplinary departments) do not require submission of language proficiency certification, but submission may favorably affect scholarship benefits and interview scores. (The appropriate classification of major according to the aforementioned fields was determined by the school regulations.)
- [★] means a department offers English classes.
- [■] means a department offers a thesis in English.
- [▲] means a department offers English classes when students speaking in English enroll a class.
- Lessons ratio in English is subject to change each semester.

※ Admission for Department of Nursing is only offered during the Spring semester (Round 1). It's not available for the Fall semester.

※ The terms of study for combined master's and doctoral program are 4 years and students do not need to submit master's degree dissertation. Students will complete a course of 60 credits and be conferred a doctoral degree at the end without being conferred a master's degree.

However, if a student quit combined master's and doctoral program halfway and has met the conditions for master's degree, then he or she can obtain the master's degree by submitting the master's degree dissertation.

※ Applicants can apply for combined master's and doctoral program only during the Spring semester.
